SUBJECT: **Weights, Origin Documentation, ETAs and Delivery Information**

National Forwarding is very busy and we thank all of our faithful agents and haulers for their continued support.

Here are a few reminders of National Forwarding's Policies when servicing our shipments:

Haulers - Contact our office ASAP or within 3 days of pickup with the actual weights, including Progear, for entry into DPS. originweights@nationalforwarding.com

Haulers - Return your weights and inventories to the local agent ASAP – The **local agent** is required to forward this documentation to the base within 7 workdays of shipment pick up, which is a requirement of the Tender of Service. Attached is a list of the proper email address to forward the documents.

Haulers - Keep us posted of ETAs! nfcooperations@nationalforwarding.com

Haulers – Contact our office with delivery information ASAP. If you plan to deliver a shipment over the weekend, advise our office on Friday and call or email to confirm the shipment delivered on Monday morning. NFC must enter the delivery information into DPS within 3 days of delivery. nfcooperations@nationalforwarding.com

Origin Agents – Contact our office if a hauler has not returned their weights and inventories to you. nfcooperations@nationalforwarding.com

SIT Agents and Haulers – If a reweigh has been requested by the customer or the base prior to delivery, the **hauler** is requested to perform the reweigh prior to delivery to residence or destination SIT. The reweigh weights must be called or emailed to our office ASAP for entry into DPS. nfcooperations@nationalforwarding.com

SIT Agents – Make sure NFC is advised of any delivery out of SIT that we have not arranged. This includes SIT @ Origin. The delivery must be scheduled in DPS prior to the delivery. movemanagers@nationalforwarding.com
